

A Little About Dave & Connie Bohannon

Dave & Connie Bohannon have been married for over 44 years and have been ministering together for over 34 years. They served as full time Pastors for over 26 years. They are God's pioneers, ever stretching the boundaries, and thinking outside the box. Together they birthed Harvest Family Fellowship, satellited three churches, two schools, two daycares, a Bible College extension, hosted a TV and radio ministry for years, started numerous programs to meet the needs of the community, as well as **Father's House**, a ministry designed to expose God's people to the Love and Mercy of their Heavenly Father. Their deep desire is to Father a generation of spiritual orphans into the love of God. Restoring hope to the hopeless and healing broken hearts. Dave and Connie are both gifted speakers and flow with the Holy Spirit in manifesting the Father's presence. They have three children and seven grandchildren. They love to read, swim, ride motorcycles, and just chill-out over dinner after a hard day.
